MEMORANDUM FOR: Chairmen of ALL USIB Committees and Other Groups
Developing Reports on Emergency Planning

SUBJECT : Background Material for Emergency Planning

REFERENCE : Memorandum dated 28 September 1959, STEP-1, Subject:
"Additional Background for Planning Guidance"

1. Attached are copies of the written material described in the reference memorandum already sent you. In addition, extra copies are being made available to each department's or agency's member of the Steering Committee -- who will serve as an advisor and central point for the circulation of materials for those representatives of his own department or agency who are directly concerned with emergency planning, as members of various Board Committees.

2. Accordingly, there is also attached the roster of membership of the Steering Committee. The Chairmen of all Committees are asked to refer their Committee members to their respective departmental representatives on this Steering Committee.
